

DOWNTOWN WICHITA

Adam, Wave Concert Venue

Adam Hartke's vision for a thriving music scene is becoming a reality. He believes that live music can create transformative experiences and play an important role in the culture of an urban city. Creating countless opportunities for both local musicians and concertgoers, Adam has brought inspiring performers to Wichita through his work with First Friday, Rok ICT, [Barleycorns](#), [Orpheum Theatre](#), [Wichita Festivals](#) and now [Wave](#).

Wave, his latest project, is an indoor-outdoor concert venue that will bring a new energy and new performers to downtown Wichita. On top of an outstanding line-up of talented local and touring artists, Adam has created a year-round social oasis featuring yard games, food trucks, lounge seating and a craft beer garden. Through collaboration and hard work, he has carefully crafted a unique atmosphere at Wave where people can discover music and connect to the pulse of downtown.
