

A nighttime photograph of a city street, likely in Wichita, Kansas. The image shows a multi-lane road with light trails from cars, illuminated streetlights, and buildings in the background. Overlaid on the left side of the image are two large, semi-transparent geometric shapes: a yellow triangle pointing right and a blue triangle pointing left, which together form a larger shape. The text 'DOWNTOWN WICHITA' is superimposed in large, white, sans-serif capital letters across the center of the image.

DOWNTOWN WICHITA
