Project Manager
The Project Manager will help bring Downtown Wichita's vision and priorities to life by leading projects from concept through completion. Working closely with the Executive Director, this role will develop project plans, coordinate resources, manage consultants and contractors, engage community partners and oversee timelines, budgets and deliverables across placemaking, streetscape, events and other strategic initiatives. The ideal candidate is an organized, adaptable and solutions-oriented professional who can manage multiple priorities, build strong relationships and independently move complex projects forward in a dynamic downtown environment.
