

DOWNTOWN WICHITA

Downtown Wichita Clean-Up

Thank You, Volunteers!

We are truly blown away by your dedication! Despite the rainy forecast — and even as the rain started to fall — you showed up with smiles, determination and plenty of heart. From teams crafting garbage-bag ponchos to kids fueled by donuts for “one more round” of trash pickup, you proved once again that Wichita is a passionate community.

Because of your energy and commitment, we had an incredible turnout:

- **Nearly 200 volunteers.**
- **28 blocks** of sidewalks swept.
- **123 bags of** litter removed.

Beyond the numbers, your work touched every corner of downtown — from graffiti removal and light pole painting to trash pickup and gutter cleaning. Thank you for sharing your time, talents and love for our city.

If you couldn't make it this weekend or would like to help with future volunteer opportunities, please [sign up here](#) and we'll notify you about upcoming Downtown Wichita events!
