

Resources for Small Businesses

As a resource for those who live, work and play in downtown Wichita, our organization is closely monitoring the COVID-19 pandemic. We are working with partner organizations to provide resources for small businesses and downtown stakeholders. This page will be regularly updated with additional information and opportunities as they become available.

Find additional information and assistance through the Wichita Regional Chamber of Commerce's Wichita Resource Center.

Find Resources

Find federal/national, state and local resources below. Questions on the resources? Contact Jason Gregory, Executive Vice President of Downtown Wichita via email.

Resources for Restaurants:

- Restaurants can begin offering delivery services through a third party such as Uber Eats, DoorDash, GrubHub, Postmates or local delivery service Wichita 2 Go
- Restaurants can begin offering online ordering for pick-up orders through a third party such as ChowNow or Toast

Free Sign Printables for Small Businesses:

- CDC Coronavirus Fact Sheet Printables
- Signs.com Coronavirus Signage
- Food Safety Focus Handwashing 101 Poster
- Food Safety Focus Handwashing Infographic
