How Can You Get Involved?

As a member of our community, your input is essential to shaping the future of Downtown Wichita. We invite you to join us in a collaborative process where you can share your vision and ideas for Downtown through a series of public open houses, pop-ups at local events, and online surveys.

We believe a vibrant Downtown Wichita is built by everyone, for everyone: We encourage people of all ages and backgrounds to participate. Our goal is to gather diverse perspectives and ideas to create a lasting legacy for generations to come.
