INCREASE IN SQUARE FEET

Local shops and restaurants make downtown Wichita unique and are key to enhancing vibrancy. These one-of-a-kind, local establishments are a part of the culture of our downtown. As the number of residents, visitors and workers has increased in downtown, the restaurant and retail spaces have increased significantly from 290,478 square feet in 2010 to 735,701 square feet in 2020.
