2021 OFFICE REPORT

OFFICE REPORT

Epicenter of Employment

With ample office space in the city's commercial core and three of Wichita's largest office buildings, downtown is the place to sustain dynamic business interests. Demand for urban office space continues to increase globally as businesses position themselves to attract and retain talent in unique, urban spaces. From solo operations to large-scale corporations, companies are looking to downtown as the epicenter of employment built for collaboration and connection.
