DOWNTOWN WICHITA

the heart of Old Town. The Eagle will renovate the spaces, which formerly housed Associated Integrated Marketing and the Oeno Wine Bar. The new headquarters will embrace technology as the Eagle moves forward as a digitally driven company.

Broadway Autopark Apartments

Cost - N/A

303 S. Broadway Street

The vacant parking garage at Broadway and English will be transformed into a mixed-use building in Downtown Wichita. The redevelopment project will include 44 new residential units, covered apartment parking, and ground floor commercial space. Each tenant will have front-door parking and a large patio. The redevelopment plans will preserve 85 percent of the structure, which was originally built in 1949.

Hilton Garden Inn

Cost - \$14.2 million

383 E. Douglas Avenue

The Wichita City Council has approved plans to transform the Commerce Plaza building at the corner of Douglas and Topeka into a Hilton Garden Inn. The project will utilize the neighboring parking garage, allotting slots for guest parking. Construction crews have already begun with demo to the interior of the building. Developers hope to complete the hotel prior to the NCAA men's basketball tournament that will be held at INTRUST Bank Arena in spring of 2018.

Advanced Learning Library

Cost - \$33 Million

711 E. Second Street

The Wichita City Council recently approved building a new Central Library and Advanced Learning Center at Second Street and McLean Blvd. The plans, designed by GLMV Architecture, call for the new building to increase in square footage of the current library to 95,000 square feet. A multitude of flexible community meeting spaces that can function independently or together are included in the plans, along with a large meeting room that will have seating for up to 300 people. Technology will include over 100 computers and charging stations, which will be available for public use. The City of Wichita will finance the new library in conjunction with private fundraising by the Wichita Public Library Foundation. A groundbreaking ceremony was held June 2016, construction will take 18 to 24 months with a possible completion date in 2018.

High Touch Technologies

Cost - \$1 Million

DOWNTOWN WICHITA

110 S. Main Street, Suite #600

High Touch Technologies recently bought the building that houses their Corporate Headquarters at 110 S. Main. High Touch, an employee owned company that offers IT and technology-related services, offices 126 employees in Downtown Wichita. In 2014 alone, High Touch will spend about \$1 Million in addressing deferred maintenance needs and tenant improvements including elevator updates as well as heating, ventilation and air conditioning systems.

125 N. Market

Cost - \$5 Million

125 N. Market Street

Security National took ownership of the 19-story 125 N. Market building in 2013 and has renovated office tenant areas, common areas, restrooms and elevators on several floors. Other renovations will upgrade infrastructure, including new chillers, modernizing all elevator controls, renovating the 19th floor as a reception and events area, and repairing the walkway connecting the building to Exchange Place. The building offers spaces ranging from 1,000 to 16,000 SF, some that include panoramic views of the City. This building was constructed in 1963 and was formerly the Wichita Executive Center.

INTRUST Bank Renovations

Cost - Approximately \$2.5 Million

105 S. Main Street

INTRUST Bank is renovating its Downtown headquarters at 105 N. Main. This multi-million dollar investment will provide updates to the 90-year-old building. Improvements include work on office and customer areas as well as the installation of new heating and air conditioning equipment. Extensive work will also be done to update interior finishes. The project is to be completed by summer 2015. Previously, a \$400,000 basement refurbish was completed in 2011.

Mosley Ave. Streetscape Project

Cost - Approximately \$1.6 Million

Mosley and Second Streets

The streetscape enhancements for Old Town will soon be expanding to the north. Mosley Avenue from 2nd Street to 3rd Street and also Rock Island for one-half block north will be improved. The corridors will be reconstructed as brick streets and sidewalks with amenities and on street parking consistent with the design of the other streets in Old Town. Ornamental lighting, landscaping, benches, trash receptacles and bicycle racks will all be installed as part of the project. The project will add approximately 33 on-street parking stalls and significantly improve the walkability for these corridors north of 2nd Street. The project is anticipated to begin in the summer of 2015 and be completed by the summer of 2016.

DOWNTOWN WICHITA

Orpheum Theatre (Phase One)

Cost - Approximately \$500,000

200 N. Broadway Street

The Orpheum, built in 1922 at 200 N. Broadway, is a historic theatre and venue in the heart of Downtown Wichita. It has been listed on the National Register of Historic Places since 1981. It was designed and built by one of the nation's leading architects, "Opera House John" Eberson. Six phases of renovation have been identified. Phase One renovations are currently underway and encompass \$500,000 of work, includes plastering, refurbishing and repainting walls, ceilings, decorative crown molding, mirrors, sconces and stair railings. New doors will replace old doors, and new carpeting and benches will be installed.

River Vista

Cost - \$38.4 Million

First Street and McLean Boulevard

River Vista will be a new residential development project at Project Downtown's Catalyst Site One on the west bank of the Arkansas River. The new development, River Vista, will be a 203-unit apartment project located on McLean Boulevard. In addition, the City of Wichita and State have committed to make improvements to the riverfront and adjacent Delano Park. These enhancements will continue the connective trail system along the river and add an exciting amenity that will allow the general public to further engage the river. Crews broke ground on the project in July after more than two years of planning, starting with dirt work and underground sewer and utility work. The project also includes a "Boats and Bikes" concept that will be used by area rowing groups and also offer public boat and bike rentals. The plan also incorporates 341 public and residential parking spaces and provides improved access to the river and joining trail system. Construction should start on the apartments in summer of 2016, with an expected opening in the middle of 2017.

In Planning

EPC Delano (Mixed-Use)

Cost - \$40 million

226 N. Sycamore Street

EPC Real Estate LLC has been selected by the City of Wichita to develop two parcels of land in Delano. The proposed project includes 180 multi-family residential units, as well as a mixed-use hotel concept with commercial space on the ground floor. The sites are located adjacent to the River Vista residential development and the new Advanced Learning Library.

Cargill Protein Group, New Division Headquarters

DOWNTOWN WICHITA

825 E. Douglas Avenue

Cost - \$60 million

Cargill Protein Group's new Downtown headquarters will be located on the site of the former Wichita Eagle Building at 825 E. Douglas. The new building will complement the warehouse character of Old Town through its use of similar materials, while incorporating a modern design with an open floor plan and spaces for collaboration. Employees will also be able to utilize private outdoor patio and courtyard spaces. The innovative new headquarters will also increase connectivity between INTRUST Bank Arena, Union Station and Old Town. Proposed completion is summer 2018.

The Flats 324, Second Expansion

Cost - \$5.5 million

324 N. Emporia Avenue

A second expansion is in the works for the Flats 324, located in the historic Wichita High School. Plans include converting the adjacent property at 412 E. Third Street into a second clubhouse. Two of the neighboring parking lots will be converted into an additional 60 new units. The property's first expansion added 70 new units and new amenities such as a clubhouse with complementary Wi-Fi, a pool, a pet washing station and more.

Douglas Avenue Streetscape Phase Two

Cost - \$1.3 Million

Douglas Avenue and St. Francis Street

Phase Two will continue the improvements to Douglas Avenue. Curb extensions and streetscape amenities will be implemented as defined in the master plan for Douglas Avenue. The total cost of phases one and two is \$6 million.

Spaghetti Works Building

Cost - N/A

619 E. William Street

The four-story Spaghetti Works building, located between the newly developed Union Station property and INTRUST Bank Arena, was built in 1894 and has been recently purchased by Seneca Property. In addition to the 40,000 SF building, the property includes a 10,000 SF warehouse to the south and a parking lot on the north adjacent to Naftzger Park. Plans for the property include a "live, work, play" concept. Construction could start as soon as this year, with the entire project potentially taking up to two years.

DOWNTOWN WICHITA

Union Station Phase Two

Cost (Phase One and Two) - \$54 Million

701 E. Douglas Avenue

Renovation of one of Downtown Wichita's most iconic buildings is underway. Developer Gary Oborny of Occidental Management identified \$54 Million of redevelopment and expansion projects for the Downtown Union Station campus, which includes the Wichita Historic train station, Union Station, Rock Island depot and baggage facility, and the former Wichita Grand Hotel. Over five acres of public space will include public streetscape and walking improvements. Phase Two plans are being finalized, and include renovating the Union Station terminal, and building an additional 150,000 SF of new office space. Phase Two redevelopment efforts will also provide a new 480-stall parking garage. The terminal and operations buildings will be a mix of commercial retailers, restaurants and office space.

Market Centre Apartments

Cost - N/A

155 N. Market Street

The Market Centre building, at the southwest corner of First and Market, was built as the Lassen Hotel in 1919. It was recently purchased with plans to convert the building into 110 apartment units. Construction is slated to start within the next year.

Water Street Lofts

Cost - Approximately \$9.5 Million

201 n. Water Street

Wichita's Alvin E. Morris Administrative Center for USD 259 at 201 N. Water was recently acquired by Old Town developer Dave Burk, who plans to repurpose the nine-story, 96,000 SF building into 90 apartments. The property includes an abundance of windows, adequate parking for residents and beautiful views of the Arkansas River. Construction is not anticipated to start until 2016.

Commerce Arts District Parking

Cost – \$950,000

751 E. Waterman Street

In December 2014, the City Council approved the overall concept design for the Commerce Arts District, including arts and

DOWNTOWN WICHITA

aesthetic improvements and also the proposed streetscape improvements to Commerce and St. Francis Streets south of Waterman. The first phase will design and construct additional public parking between the railroad and the east façade of the buildings along Commerce Street. The new public parking and access drive will provide much needed circulation improvements and add additional parking for the district. Also initiated was the final design of the Commerce and St. Francis streetscape improvements –the City will have construction documents ready to implement that project when funding becomes available in the future.

St. Francis and Commerce Street Improvements

Cost – N/A

On the corner of St. Francis and Commerce Streets

Proposed streetscape improvements include upgrading utility and drainage infrastructure, refurbishing the existing brick streets and the further definition of parking and drive lanes, all while still preserving the character of the Commerce Street Arts District. Recommended design solutions also include a gathering space located just north of Kellogg between Commerce and St. Francis which will link the two streets and provide new amenities such as trees, lighting and urban art.

Douglas Avenue Underpass Renovation

Cost – N/A

On the underpass if you can mark a pin there (Douglas Avenue and Mead area)

The Wichita Downtown Development Corporation was awarded \$75,000 from the Knight Foundation Fund of the Wichita Community Foundation in order to derive design concepts that will revitalize the historic Douglas Avenue underpass from its current status into an inviting Downtown gateway. This grant allowed the WDDC to hire Law Kingdon Architecture to lead the design team to help in the first phase of the project. The WDDC is currently working on securing funding for future phases of the Douglas Ave Underpass revitalization effort.

Wichita Orpheum Theatre (Phases Two - Five)

Cost - Approximately \$30 Million

200 N. Broadway Street

Phases Two - Five must be done simultaneously, and include the restoration of the auditorium, stage house and lobby expansion for a total of \$15 Million. Phase Six is a \$15 Million build-out addition to the current facilities. All work is part of the Orpheum's Capital Campaign.

Wichita WaterWalk

DOWNTOWN WICHITA

Cost - \$68 Million (to date investment)

515 S. Main Street

The WaterWalk project creates a new destination for Downtown Wichita. The project offers commercial space, residential, plazas and gardens, destination retail/restaurant locations and direct connectivity to the Arkansas River. In November 2009, the first residents of WaterWalk Place moved into the condominiums. Other commercial developments such as Gander Mountain, the headquarters for the Wichita Area Association of Realtors and the WaterWalk Fairfield Inn have been completed.
