

DOWNTOWN WICHITA

The Visionary Place

Shaping Tomorrow's City, Today. Downtown Wichita is a thriving hub of social, professional and cultural experiences with hundreds of residential units under development, over 120 unique retailers and more than 4 million square feet of occupied office space. At the core of the largest city in Kansas, it's an employment epicenter. As we develop the new **Downtown Wichita Action Plan**, we continue to build on the foundation of Project Downtown — advancing infrastructure and development that brings Wichita's vibrant, long-term vision for downtown to life.
