

DOWNTOWN WICHITA

Downtown Wichita Spring Clean-Up

Downtown Wichita showed up in a big way.

More than 80 volunteers rolled up their sleeves to refresh and revitalize the core, bringing energy, care and pride to the spaces we all share. From Main Street to Washington Avenue, the impact was visible block by block.

Together, volunteers:

- Collected 152 bags of trash across the district
- Painted 16 blocks of curbing and underpass walls
- Planted 29 new plants at Rotary Centennial Plaza
- Spread 165 bags of mulch across key downtown landscaping areas

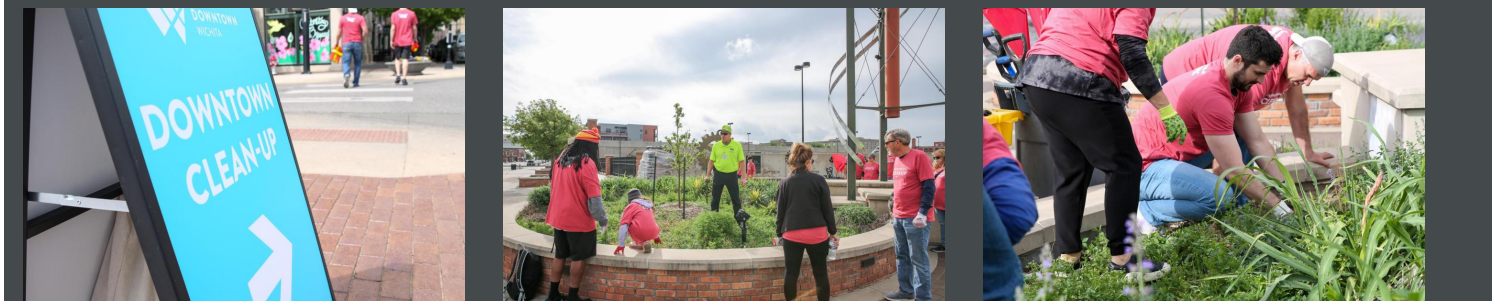

It wasn't just about the work, it was about community.

Thank you to everyone who gave their time to keep downtown clean, welcoming and vibrant.

Special thanks to our sponsors, Evergry and Professional Engineering Consultants (PEC), and to our partners at the City of Wichita Public Works and Utilities Department and the City of Wichita Park and Recreation Department for their support.
