

DOWNTOWN WICHITA

Pop-Up Beach

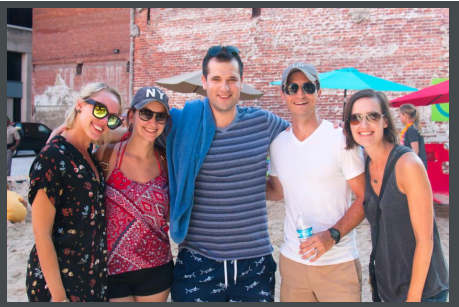

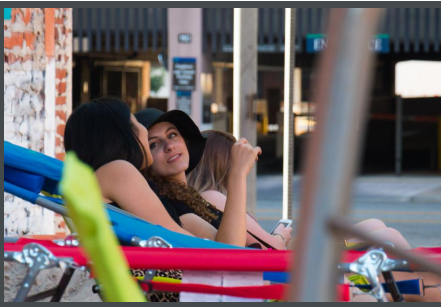

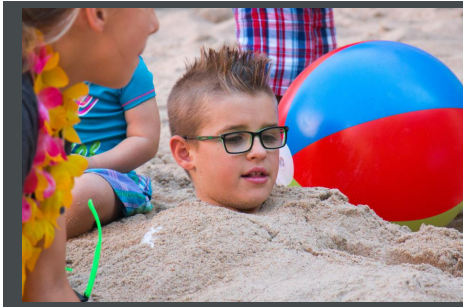

The Pop-Up Beach was a temporary attraction that brought beach vibes to Wichita during the summer of 2017. The Pop-Up Beach was located at the Pop-Up Park at 121 E. Douglas Avenue and gave visitors the opportunity to build a sandcastle with friends while enjoying a tasty treat from a local food truck. Various activities took place throughout the summer, such as the [Pop-Up Launch Party](#) and [Hawaiian Night](#).

Downtown Wichita received a grant from the Knight Foundation Fund at the Wichita Community Foundation to construct the Pop-Up Beach and create a unique attraction that brought locals, residents and visitors together.
