## First Friday Gallery Crawl

The First Friday gallery crawl is a unique opportunity for thousands of students, families and art lovers to engage with local art each month at unique locations in Downtown and throughout the city. This grassroots event continues to thrive because of the collective vision and collaboration of galleries and artists.

As the name implies, First Friday happens the first Friday of each month. Hours vary between galleries, but most are open during the core hours of 7pm to 9pm. Most galleries use First Friday to unveil and debut new shows or as a closing reception. All venues are free and open to the public and several galleries incorporate artist demonstrations and/or live music. Not only does this event give guests the opportunity to view creative art space, it also is an excellent time to purchase one-of-a-kind artwork directly from artists.

### **Transportation Options**

Explore the core and gallery hop using the free Q-LINE Trolley shuttle service that runs up and down Douglas Avenue. Electric scooter and bicycle rentals are also available. [Discover additional transportation options.](#)

## Future Dates

The majority of the galleries that currently participate in Final Friday have announced plans to shift their monthly event to First Friday, beginning in September. Since there is no "governing body" that oversees Final Friday, Downtown Wichita generally takes direction from what the majority of the local galleries wish to do. As of now, Downtown Wichita plans to transition the Final Friday calendar to First Friday beginning in September as well. In order to make this transition as seamless as possible, the usual listing and interactive map for both the August Final Friday (August 30) and September First Friday (September 6) will be created.

Mark your calendars for the following 2019 First Friday dates to never miss an event:

- September 6
- October 4

# DOWNTOWN WICHITA

- November 1
- December 6
