Art for Everyday Wellness: A Veteran Art Coalition Workshop at Harvester Arts

Harvester Arts, in partnership with the Robert J. Dole VA Medical Center, NAMI Wichita, COMCARE of Sedgwick County, and Live Connected Kansas, invite Veterans, service members, family members, and supporters, to join us for Art for Everyday Wellness, a hands-on workshop focused on creativity as a tool for self care and resilience.

During this welcoming session, participants will create small, meaningful objects that support everyday wellness, such as affirmation cards, painted stones, tiny journals, or other personal creative works designed for reflection and grounding.

All skill levels are welcome, whether you are a practicing artist or simply interested in creative expression. Art supplies will be provided, and participants are welcome to bring their own materials.
