Live Music: Struggle Jennings at WAVE

Struggle Jennings is a raw, unapologetic voice in modern outlaw country and country-rap, carrying both a powerful legacy and a hard-earned story of his own. "Hadestown" presented by Broadway in Wichita

"Hadestown" intertwines two mythic tales — that of young dreamers Orpheus and Eurydice, and that of King Hades and his wife Persephone — as it invites you on a hell-raising journey to the underworld and back. Mitchell's beguiling melodies and Chavkin's poetic imagination pit industry against nature, doubt against faith, and fear against love. Performed by a vibrant ensemble of actors, dancers and singers, "Hadestown" is a haunting and hopeful theatrical experience that grabs you and never lets go.
