Customer: These spaces are available for people visiting a specific business. The spaces are usually identified with signs and are often close to building entrances.

Daily: Short term, public parking lots provide parking for an hour or day. Most lots are identified with the recognizable and colorful "P" parking symbol.

Daily/Monthly: When entering a lot, look for signs about the public use of the space and where to pay for daily parking.

Monthly: A number of parking lots are leased on a monthly basis. While anyone can lease a spot daily or hourly parking is not allowed.

Covered: Almost every garage in downtown Wichita allows hourly or daily parking. All parking garages in Old Town are free and open to the public. A number of garages are open and available after 5pm to accommodate downtown events and activities.
