165 S Rock Island 165 South Rock Island

Located within the Union Station campus [165 S. Rock Island], the Ice House is located in the heart of Wichita's downtown office market. The area provides a vibrant live, work, play environment and is conveniently surrounded by a wide variety of amenities, including restaurants, entertainment venues, the new Naftzger Park and Intrust Bank Arena.

The Ice House is ideally situated to provide an office solution for companies looking to recruit and retain talented employees. The Ice House offers approximately 38,000 SF of customizable Class A office space on three levels. Originally constructed in 1901 as a hardware warehouse, the building began storing large blocks of ice coming off the surrounding rail lines in 1909. The building maintains its architectural appeal through a mix of historic and contemporary elements allowing for multiple office layout concepts for tenants.

400 S Emporia St

400 South Emporia Street

This 1930 warehouse is located directly across the main entrance of INTRUST Bank Arena, the regions' largest performing arts/sporting venue. The building features ample private adjacent parking, a 600 sf covered patio on the East side, loads of character with original wood floors, ceilings and brick walls. The building has been completely stripped inside to allow for new spaces with all new windows, electrical, plumbing, elevator and HVAC. The property features a daylight basement lower level that offers excellent storage at a low cost.

This property is ideal for a bar/restaurant, brewery, distillery as well as office space. The main floor sits 4 ft up from the road and offers unique and stunning views of downtown through large new windows. The location is also easily accessed from Highway US400 or I 35. The property has a large adjacent private parking lot with 50+ spaces.

A premium workspace is the key to achieving heightened focus. With well-equipped meeting rooms, light-flooded coworking space, and customizable offices, this professional environment has everything you need to work productively. Enjoy an al fresco lunch on the terrace, refreshments onsite at the café, and other local amenities just a short drive down the road. Regus is ready for a new world of work with the implementation of hygiene and physical distancing measures recommended by local governments and the World Health Organization (WHO). Regus has increased the cleaning frequency, focusing on high touchpoint areas, surfaces, and workspaces. Regus has taken the principles of physical distancing and adapted them for the workplace with reconfigured workspaces and clear information, signage, and protocols to ensure minimal person-to-person contact. Regus has established a meeting room safety protocol that encompasses the use of spaced seating, moving around clockwise, and maintaining a safe distance for catering.
