### About Project Downtown

Project Downtown is a master plan – a blueprint for development of Wichita’s urban core. It builds upon the uniqueness of our community and it casts visions for the future. The plan focuses on key areas of our downtown, illustrating the potential we have as a community to grow.

The community plan benefits the public and private sectors when making decisions, guiding strategic public investment so we, as a community, maximize private sector investment.

Download Project Downtown at [downtownwichita.org/development/project-downtown](http://downtownwichita.org/development/project-downtown)

### About Downtown Wichita

Downtown Wichita is a private 501(c)(3) non-profit corporation that amplifies the energy, capital, and growth of downtown by empowering residents, visitors, and businesses to explore the possibilities of our city’s core.
