

# 2026 1st Quarter SMART REPORT

We have had an exciting start to 2026!

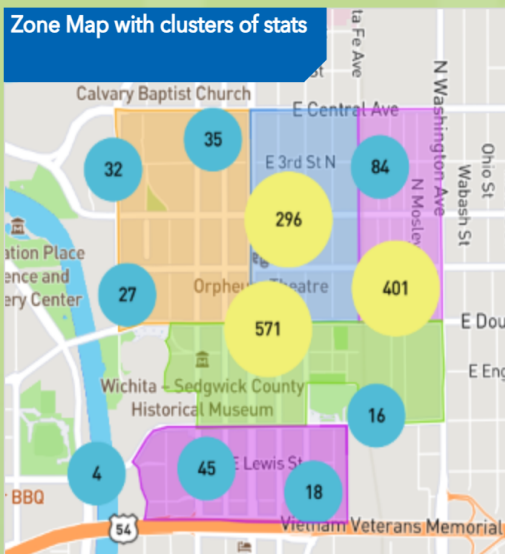

My team and I are working hard to get Downtown Wichita ready for a busy spring and summer!

# Executive Summary

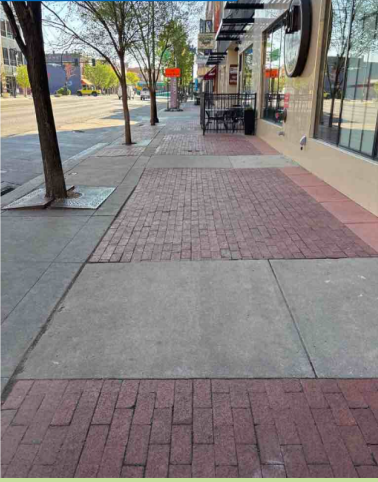

The Clean Team has enjoyed a great first quarter! Since starting on February 1st, my team has worked to establish a positive presence in the downtown business district. Our focus has been to clean up leaves and debris that has collected over the winter as well as keep the streets free of litter. We deploy our sidewalk sweeper 3 days a week which has really improved the appearance of the sidewalks, especially the brick sidewalks!

During Quarter 1, the cleaning ambassadors have maintained 100 blocks across the Downtown Wichita district. We have collected over 1300 bags of trash and debris, removed 283 graffiti and sticker tags, and swept over 5 miles of sidewalks and gutters. Based off of client and pedestrian feed back, the cleanliness of downtown has improved substantially! We have had no safety incidents and ambassador visibility has enhanced the welcoming atmosphere for businesses, residents, and visitors!
